## WILLIAMSBURG

### **65 Hope Street Gallery**

**Cycles: Julia Whitney Barnes**

This show features multiple series of paintings that combine oil on linen and polychrome ceramic tiles. In these works, Barnes employs a multi-staged process where the final work is a painting, of a painting, of a painting. The narratives created fuse typically unassociated elements, focusing on preconceived notions of the human and animal kingdoms and their coexistence. Through 6/2. *Sat-Mon noon to 6pm; or by appointment. 65 Hope St, 2nd fl, between Havemeyer and Marcy Sts (L to Bedford Ave) 718-963-2029*
